

FEW SURPRISES AS COUNTY VOTERS PUT 21 OUT OF 29 BACK IN OFFICE

Voters across Haliburton trooped to the polls Monday to fill some 40 municipal council and board of education seats but with just a few exceptions opted to re-elect incumbent office holders.

Of 29 candidates seeking re-election to the same office, voters rejected just eight, including three trustees.

Biggest upset of the whole election scene was the defeat of Lloyd Coneybeare who sought re-election as Dysart deputy-reeve. Challenged by 12-year council veteran Harold Bannon, Mr. Coneybeare was dethroned by some 349 votes, 1028 to 679 as almost 76 per cent of Dysart voters turned out to exercise their franchise.

Mr. Bannon's substantial win reflected his vigorous election campaign plus his determination to seek increased policing for Haliburton Village.

Of course, every eye in the County and many across Ontario were on Lutterworth where a determined Pat Conaghan sought and got re-election to his second term as reeve without his old council.

Down to defeat 412 votes to 301 went former deputy-reeve Lloyd Walker, who had challenged Mr. Conaghan for the reeve-ship, along with councilors Mervin Brohm and Ingram Wessell.

Mr. Wessell was bested at the polls by the former deputy-reeve of Lutterworth in 1972, A.O. Shingler, in his bid for the township's vacant deputy-reeve seat.

Lone Lutterworth councilor returned by the voters was Bill Valentine who campaigned as an independent.

Besides Mr. Shingler, the slate of newcomers contesting last year's Lutterworth council seats and headed by Reeve Conaghan included Major Gwynne Lewis and Ron Gambell.

Much of the credit for the Conaghan group's victory went to an all-out campaign which saw dedicated cottage owners flock to the polls to carry the day.

Other highlights of Monday's voting saw the reeves of Glamorgan and Cardiff, Bob Fotheringham and Mac McGillivray returned handily as well as deputy-reeves Doug Pritchard of

See VOTERS P. 3

Hand In Hand

It's hard to say just who's having the most fun here, the two pretty, young arm-wr-

estling contestants or Rockcliffe Hotel proprietor Bill O'Brien who sponsored and judged

the event last week. Ten happy and vivacious gals, one from as far away as Tor-

onto, took part in the three-hour competition which saw Lynn Wynans, above, right, de-

feat Sandy Willis above, left, for the Minden Championship.

Explosion injures Minden woman

A Minden restaurant proprietor whose propane gas grill blew up early last Saturday morning is reported in satisfactory condition in the Minden Red Cross Hospital with second degree burns to her face, neck and hands.

Mrs. Evelyn Stevenson, 31, of Minden, who operates the Cameo Restaurant, said afterwards she had turned on the propane gas grill but noticed that the pilot light wasn't working. She then went into the service

section of her restaurant, returned to the kitchen and lit a match, igniting the gas fumes.

The resulting explosion hurtled her some 12 feet across the kitchen, bouncing her off cupboards and crashing her to the floor.

The accident occurred about 7.00 am when Evelyn was opening the restaurant for morning business.

Still dazed by the blast, she ran out the kitchen door just as one of her employees, Miss Sharon Mac

Intosh, was arriving for work. Sharon's father, Harvey MacIntosh of Minden, immediately took the shaken and injured Mrs. Stevenson to Minden Red Cross Hospital.

Hospital officials report that Evelyn is responding well to treatment and should be out of the local infirmary in a few days.

The explosion caused little damage to the building and its contents.

Secretary-Manager

The Canada Manpower "Outreach" office is now a reality. Counsellor Co-ordinator, Jane Northgrave and her assistant Cathy Carroll have set up their office above LaRue Motors in Haliburton. They are presently in Peterborough undergoing extensive training and will be available in the office beginning this Friday, December 10th. The official opening has been set for December 20th but more about that next week. In the meantime you are welcome to drop in and the girls will be pleased to give you the information you require. Jane will be covering the entire county and will set up scheduled office hours at other locations shortly to provide information to employers and employees.

We do urge both employers and people in need of employment to make use of this facility. There are presently many forms of help available through Manpower that most of us are not aware of, and one of them may solve your problem. This centre can also provide valuable statistics of our employment situation that can be used in assessing the economic problems of the area. A great deal of part-time help is used in our county and it is hoped that this centre will help provide communications for those looking for and requiring part-time work.

The Ministry of Industry and Tourism has asked us to provide them with information on "Spring Events" (March, April and May) by no later than Dec. 15th. This is for the Ontario Spring Events publication and we always have difficulty coming up with events for this season, particularly this far in advance. If you know of anything that could be included, please contact our office.

At the last Directors meeting a motion was passed to provide a new category for Service Clubs and Associations in the Chamber for a nominal fee of only \$20.00 per year. It is hoped that all clubs will join the Chamber at this new rate and provide the base for excellent communications and co-operation of all organizations throughout the county. There are many fine and wonderful things we can accomplish if we check to make sure we are all pulling in the same direction.

It would appear that we picked a bad date for the Elimination Draw/Dance this Saturday. Seems as though everyone is having their annual Christmas party that same night. As a result we still have tickets available, and whether you can attend or not the odds on the draw are certainly extremely good. For an investment of \$20.00 there is better than one chance in a hundred on the \$1,000 prize and about one chance in ten on the many other prizes which range in value from \$15.00 to \$80.00 each. Tickets cannot be sold at the door, but are available up to that time from the office and all directors. Please help support us and take advantage of this excellent opportunity to be—a big winner.

COMING EVENTS

Wed. December 8 at 8 o'clock in the Parish Hall the Minden Committee will have guest speaker Mrs. Pauline Hall.

Saturday December 11 - Chamber of Commerce Elimination Draw Dance at Lloyd Watson Memorial Hall in Wilberforce. \$20.00 per couple includes chance on \$1,000.00.

December 15 - W.I. Christmas Party.

Gooderham couple injured

Four persons were injured, two seriously, in five separate collisions last Saturday.

In fair condition in Peterborough Civic Hospital are driver Dorothy Dewey, 54, and her husband William, 66, both of Gooderham.

Both sustained multiple fractures and cuts when their eastbound car went out of control on a Highway 503 curve, west of Gooderham and struck a rock cut.

Rushed to hospital in Haliburton, the couple were then taken on to hospital in Peterborough.

Investigation by Provincial Constable Ron Buchanan.

Early Saturday morning on Highway 519 north of Donald, Michael Carpenter, 19 of Lochlin, was injured when his southbound car slid across the road into a rock cut after he applied the brakes on a curve.

Also injured was passenger, Deborah McDougall, 19, of Haliburton. Both received bruises in the crash.

Damage to the car was estimated at \$2,000.

Investigation by Provincial Constable Roy Telford.

When Elwood H. Barry, 21, of Minden, lost control of his car while rounding a curve on Highway 35, north of Minden, it collided with two signs.

Damage to the car was

estimated at \$1,000 and to the signs, \$100.

Investigation by Provincial Constable Bob Wood.

William Vivian Scheffee, 20, of Haliburton, was charged by police with failing to wear a seat belt assembly when his southbound pickup truck slid into the east ditch of Highway 519 near Haliburton and struck a rock cut.

Damage to the truck was estimated at \$600.

Investigation by Provincial Constable Boyd Jarvis.

Donald R. Shaw, 21, of RR 2, Haliburton, has been charged by police with failing to yield and failing to wear a seat belt assembly after he backed his car out of his driveway and collided with a car driven by Evelyn Stevenson, 53, of Minden.

The Shaw car escaped unscathed, but the Stevenson vehicle sustained some \$300 damage.

Investigation by Provincial Constable Roy Telford.

THANK YOU...

THE FELLOWSHIP IN APPLIED EDUCATION

SIR SANDFORD FLEMING COLLEGE has instituted a Fellowship to recognize a citizen for significant achievement and community contributions through the outstanding application of knowledge in any trade, vocation or profession.

Nominees must work and/or reside in Victoria or Haliburton County.

THE FELLOWSHIP will be conferred at the May Convocation in Lindsay. Nominations will be accepted until December 15, 1976, by:

The Chairmen,
Selection Committee,
Sir Sandford Fleming College, K9V 4S6

P. O. Box 8000,
LINDSAY, Ontario.
K9V 4S6

VOTERS FROM P. 1

Anson, Hindon and Minden, Mack Peters of Cardiff and Jim Harrison, Stanhope.

In Minden Len Lonsberry and Lyle McKnight sought council seats for the first time and readily demonstrated their popularity with voters as they headed the polls and unseated incumbent Helen Johnson to join incumbent Al 'Cub' Coneybeare.

Two of the three Monmouth councillors, elected Monday are women: incumbent Margaret Finlay and newcomer Mary Barker. Along with Carman Coumbs, another new face on council, they join Reeve Gary Agnew and Deputy-reeve Keith Tallman, both returned by acclamation. Councilors who lost out in their bids to retain their seats included Mervin

Brohm of Lutterworth and Howard Anderson and Fred Taylor of Monmouth.

Incumbent trustees defeated included Wilfred Mason and Evelyn Givson of Stanhope and Dennis Weymouth of Dysart.

Voter turnout varied dramatically across the county ranging from a high of almost 76 percent in Dysart to a low of ten percent in Glamorgan. Other voter turnouts were: Lutterworth 29 percent with 716 votes cast, Anson, Hindon and Minden with 20 percent and 979 votes, Monmouth with 19 percent and some 345 votes, Snowdon with 18 percent and 277 votes, Stanhope with 17 percent and 600 votes and Cardiff with 15 percent and 327 votes cast.

THANK YOU...

DYSART ET AL

for your confidence and support at the polls last Monday.

My family join me in wishing you compliments of the season.

Present Heroism Awards

BOB AUSTIN

A small but impressive ceremony early this afternoon will see the presentation of two special merit awards to county residents by the Ontario Provincial Police. One is the Commissioners' Citation, the highest O.P.P. award that can be given a civilian, and it goes to the 24-man Stanhope Fire Department for their outstanding work during the collapse of the Hawk Lake culvert-causeway last May. The Stanhope firemen were on the scene within minutes of the tragic Hawk Lake disaster that took the lives of a Toronto woman and her two young grandchildren and worked virtually non-stop for more than 24 hours to recover the bodies, then see the scores of stranded cottagers and their cars to mainshore safety.

The other award is a special Royal Canadian Humane Association Testimonial Parchment and it goes to Bob Austin, above, of Minden for his heroic and successful efforts to save the life of his snowmobiling companion last January.

Mr. Austin, 37, and Pete Windover, 26, became caught in slush while snowmobiling across Big Trout Lake last January. In the struggle to get free, Mr. Windover was overcome by cold and fatigue, but despite 40-below

temperatures, Mr. Austin worked incessantly all night and without thought of his own safety to save his companion.

Making the presentations at Mr. Fogg's today on behalf of both the Ontario Provincial Police and the Royal Canadian Humane Association is Deputy-Commissioner Larry Gartner of O.P.P. General Headquarters in Toronto assisted by Superintendent Lyle Erskine of the O.P.P.'s Number 8 District, Peterborough.

Pictured above are 23 of the 24-man Stanhope Fire Department, with only Gerald Bain missing. The others, not in any particular order, are: Fire Chief Dick Kinsman, Bob Jennings, Don Barker, Jack Harrison, Jim Foster, Bob Patton, Bill Cowan, Carl Harrison, Harry Martin, Alvin Cowan, Ken Alger, Jim Moore, Bob Nangle, Hec Arsenault, Ken Martin, Ray Johnson, Alvin Johnson, Neil Griffin, Harold Barjarow, Ross Ballantyne, Dale McDonald and Larry Hewitt.

The Big Draw

This Saturday evening your Haliburton Highlands Chamber of Commerce is staging a very special elimination draw and dance.

It's being held in the Lloyd Watson Memorial Centre at Wilberforce and special buses have been laid on by the thoughtful organizers to eliminate 'do-it-yourself' driving.

Of major interest are the special draw arrangements for the \$1,000 grand prize.

Tickets are limited to a maximum of 150 and with each 25th ticket drawn comes a special prize for the lucky winner.

Of course, the big prize of the evening ...\$1,000...goes to the holder of the very last ticket drawn.

Tickets are just \$20 each and admit one couple to a delightful evening of food, refreshments and dancing to the popular 'Spectrums'.

On top of that, it's all in aid of your Chamber of Commerce so call the Chamber office now and get your tickets before they're all gone.

THE ULTIMATE AUTHORITY HAS SPOKEN

On With The Job

Municipal elections are now over for another two years and frankly, most of us are rather pleased to be done with them.

If one was able to pick his way through all the verbal fog generated over the past few weeks to make a sensible choice it was nothing short of a miracle. While most campaigns were cleanly fought, hints of electioneering skullduggery surfaced here and there as candidates jockeyed for the best vote-getting position.

In fact, at times one came away with the impression that some candidates were running for the position of 'Emperor'.

But now that it's over victorious and defeated candidates alike should set aside their differences, forget the biting asides and get on with the job.

In fact, the job's been waiting for a few weeks now.

Report from Queen's Park

John Eakins, M.P.P.

There has been considerable discussion this week about a ruling of the Ontario Highway Transport Board to allow Greyhound Lines of Canada Ltd. to run buses on routes between Toronto and Buffalo and Toronto and Sudbury which are at present served by Gray Coach, a subsidiary of the Toronto Transit Commission. Gray Coach spokesmen have said that the company will appeal the decision to the Ontario Cabinet, but the Minister of Transportation and Communications has told the Legislature that he agrees with the Board's reasons for giving the ruling-complaints of poor service by Gray Coach, and the need for competition on the routes in the public interest. Leonard Moynehan, president of the Amalgamated Transit Union has charged that telegrams of support for the Greyhound service from union locals, read in the House by the Minister, were paid for by Greyhound, and that although more jobs might be provided, they would not be in Ontario, because Greyhound would then have a cross-Canada service, with drivers from the United States, or from Winnipeg driving through Ontario. A vice president of Greyhound admitted in a telephone interview, reported in a Toronto newspaper, that the company paid "thousands" of dollars to bring 70 witnesses to Toronto to support the company's application.

Liberal Leader Stuart Smith has stated that bus service to many small Ontario communities is threatened by the Transport Board decision to permit an American-controlled company to operate on the two main Ontario routes under discussion. "It appears that the Davis Government is willing to condone this sell-out to American interests at the expense of a Canadian company owned by Onta-

rio taxpayer", he said. Gray Coach officials said this week that Greyhound will skim the profits from these two money-making routes, making it impossible for Gray Coach to continue to provide service on money-losing routes in the rest of the Province. Stuart Smith and other Opposition Members have tried repeatedly to persuade the Minister of Transportation and Communications or the Premier, to delay issuing Greyhound with the necessary permits, until the Cabinet has had an opportunity to consider the major policy change.

The Provincial Government is to produce a detailed report on the follow-up care provided for nineteen teenagers who have died in the last two years after being released from provincial training schools. The Minister of Correctional Services told the Legislature this week that nine boys and one girl between the ages of 14 and 17 had died in the year ending March 1975, while they were still wards of the province, and that there had been ten similar cases in the previous year. He said the teenagers had been free from training schools for an average of 17 months before their deaths.

Margaret Campbell, M.P.P. (Liberal-St. George) asked the Minister to include in his report information regarding the case-load of the after-care workers handling each teenager who had died, and Stephen Lewis commented that the report would probably show that the probation officers concerned probably had such heavy case-loads that "nobody had time to look after them. I think you will find what is true of all services in Ontario-that after-care follow-up is desperately inadequate."

See you next week.

Mass transit by taxi

By KENNETH McDONALD

The effect on transportation of fuel cost and scarcity is putting new focus on local communities. In future, people will tend to live nearer to where they work and shop.

The fuel factor also puts new focus on ways to cut transportation costs. Canadian communities have some ready-made examples among their counterparts south of the border.

According to U.S. News, in some 3,400 communities taxis are the only means of public transportation. Nationwide, they move about 80 per cent more people than all the mass transit systems combined.

El Cajon and La Mesa, near San Diego, have contracted with local taxi companies for citywide dial-a-ride service at a flat rate of 50 cents a fare. Subsidizing the system costs less than the former bus service.

Ames, Ia., population 43,500, does the same with a fleet of 15-passenger buses. In-city fare is 75 cents, rising to \$1 farther out. If more than one rider boards at a single stop, the fare is split.

"Shared rides" is the key to the successful use of taxis as mass transit. In some cities, riders sign up for daily service to and from work. In others, taxis can stop for anyone until all seats are

filled. Twelve cities in California are combining in a study of how taxis can best be used to cut transit costs.

Downers Grove, Ill., uses seven school buses to move commuters to and from local train stations. Buses run on fixed routes but stop anywhere on request. Fare is 30 cents. An offer by the regional transit authority to buy fancier buses, using matching federal funds, was turned down as too costly. The school bus operation breaks even!

In Reston, Va., commuters have contracted with a local company for service into Washington. Commuters take it in turn to act as volunteer conductors, collecting fares and attending to passenger comfort.

The lesson is plain. Ordinary people, using their own ingenuity and enterprise, can usually find better and cheaper ways of doing things than bureaucracies snarled in red tape.

The Canadian Federation of Independent Business sees these initiatives in smaller communities as a very encouraging sign of widespread dissatisfaction with the inefficiency and high cost of public "services".

The road to revitalizing Canada's economy lies in getting government out of every function that can be performed better and cheaper by individual enterprise.

The Canadian Federation of Independent Business

THANK YOU...

GLAMORGAN TWP. VOTERS

for your confidence and support at the polls last Monday.

My family join me in wishing you compliments of the season.

ELGIN MacDUFF

Progress Errs

Contrary to a biographical report published in the Progress a week ago, Dysart Deputy-revee Lloyd Coney-beare does not favor

the establishment of a perimeter park along the southern boundary of Algonquin Park and has, in fact, strongly opposed it all along.

in Lindsay. Sheriff Pepper's phone number is 324-2542. Anyone who does not have a certificate of citizenship and who wants to vote in the next federal election, is advised to apply for the certificate without delay.

LETTERS

Mr. Wm. Foote, Editor.
The Progress,
Minden, Ontario.

Dear Bill:

The thinking people of Lutterworth owe you and the Progress a vote of thanks for the fair and often humorous coverage you have given our hassles of the past few

months.

Your Editorial, "Coat-tail Democracy" and Reeve Booth's column on thinking before you vote are particularly appropriate at this time with two "sates" plus several independants running in Lutterworth.

Yours sincerely,
Bill Valentine.

Income security cheques early this month

Bill Scott, M.P., Victoria-Haliburton reports that the Federal Government's income security cheques for December will be issued earlier in the month than usual.

Family Allowance which would have been delivered December 20, are

now scheduled for delivery around December 10.

Canada Pension Plan, Old Age Security, Guaranteed Income Supplement and Spouse's Allowance cheques are scheduled for delivery around December 22, approximately one week earlier than normal.

Ontario faces tight power problem

Ontario faces a tight electrical energy supply situation because of a combination of technical problems at Ontario Hydro's Nanticoke generating station, unusually high demand as a result of cold temperatures, and continuing low water levels.

Hydro has cut all exports of power to interconnected utilities and is purchasing electricity from New York State.

Cuts have been made to industrial customers with interruptible service.

Hydro is examining the possibility of purchasing power from Michigan, Manitoba and Quebec but their utilities are also facing tight supply situations.

However, Hydro officials say they are optimistic the utility will be able to meet this month's peak requirements unless weather and water conditions further deteriorate or there is another unexpected problem on the generating system.

Four 5000,000 kilowatt generating units are out of

service at the Nanticoke generating station on the north shore of Lake Erie, south of Hamilton. One is off line because of a rotor problem and three others have been shut down due to a brittle condition in hangers used to support their boilers. There is little likelihood repairs can be completed before Christmas.

The hangers are made of cold rolled stainless steel and have become brittle due to long-term exposure to high temperatures required for unit operation.

The supply problem is compounded by the fact that 1,000,000 kilowatts of electricity are locked in at Lennox generating station, near Bath, west of Kingston because of insufficient transmission capacity. The main transmission line from the station was originally scheduled to be in service November, 1975 but completion date has now been set back to September, 1979 following an extensive public participation process.

Farm News'n Views

FROM THE LINDSAY AGRICULTURAL OFFICE

PROVINCIAL BEEF CONFERENCE

Again this year, a Provincial Congerence is being held for the Beef Cow-Calf producers of Ontario. An interesting program has been planned which should provide a lot of worthwhile new ideas to this important segment of our food producing industry.

The theme of the conference, Performance in the Beef Cow Herd, will be divided into three topics—maximizing the calf crop, optimizing weaning weight and maximizing profits.

Specialists and producers will discuss topics such as nutrition, cattle diseases, herd management and new developments in the cattle industry.

Dr. Robert Long, from Texas, will be the key speaker at the conference. Dr. Long, who specializes in beef cattle selection and

breeding, will give the introductory speech on performance in the beef cow herd; he will discuss the ramifications of cross breeding on the second day of the conference.

The Honourable William Newman, Ontario Minister of Agriculture and Food, is scheduled as the guest speaker for the conference banquet on December 14 & 15. will be jointly sponsored by the Ontario Ministry of Agriculture and Food, the Ontario Cattlemen's Association and the Ontario Beef Cattle Performance Association.

Details and registration forms are available from local offices of the Ontario Ministry of Agriculture and Food.

FARM RECORDS AND ACCOUNTING

Are you satisfied with your present method of recording receipts and

expenses for income tax and farm management purposes? Can you easily show your bank manager how much money you made this year? If your bookkeeping system needs some improvements or needs to be completely revised, here are two alternative methods to consider.

Our office has a supply of "Ontario Farm Record Books" which are available at no cost to farmers. The book provides an easy method of recording receipts and expenses into categories that meet your needs. With an adding machine or calculator, you can prepare tax, financial or farm management reports for your farm business. The Ontario Farm Record Book is available at the agricultural office.

Another system available to Ontario farmers is the Canfarm system. This is a computerized program where you record monthly, the farm transactions. The computer takes this information and prepares financial, tax management and farm management reports either monthly or as often as you request them. The cost of this system is \$30.00 per year.

On Tuesday, December 21st at 1:15 p.m. in the boardroom of the agricultural office, a Canfarm Information Meeting will be held to outline the Canfarm recording system. How

Canfarm records are kept and examples of the reports generated will be outlined. All interested farmers and their wives are invited.

CHRISTMAS SHOPPING

Are you still looking for a Christmas gift for a farmer on your list? Here are a few ideas to consider:

A subscription to one of the farm publications will help keep a farmer and his family up-to-date on many subjects. The following are some of the publications available.

(a) The "Country Guide" is published monthly in Winnipeg and has general information on beef, dairy, swine, field crops, machinery and the farm home, and costs \$3.00 for one year.

(b) "Farm and Country" is published monthly in Toronto; this is an excellent paper for up-to-date news on current policies. A 1 year subscription is \$4.00. (c) The Free Press Weekly "Report on Farming" is a weekly newspaper for the farm family from Winnipeg. It costs \$4.00 for 1 year.

(d) The "Cattlemen" is a monthly magazine for beef producers, and also costs \$4.00 for 1 year.

More information on these and other magazines is available at the Lindsay Agricultural Office.

There are many small items that can be handy around a farm. A tape

for estimating livestock weights, halters for cattle or horses, brushes and curry combs, hoof trimmers, etc. are items which can make a welcome gift.

Your local farm supply store will likely have an assortment of such items. If you wish to see a catalogue of ideas, drop into the Agricultural Office to look over our copy of the Ketchums Ltd. and Arnold-Nasco Ltd. catalogues.

Happy Christmas shopping

How to cut the high cost of garbage

the garbage book

HOW TO SAVE ENERGY AND MONEY BY THROWING OUT LESS

Each one of us discards an average of 4 pounds of garbage a day — 1,500 pounds a year. That's energy we're throwing away!

By avoiding unnecessary products, and reusing and recycling the rest of them, we can save a tremendous amount of energy for Canada. And money for ourselves.

The Garbage Book shows you how to reduce your garbage. It's new and free. Separate chapters deal with packaging, consumer products, food waste, yard waste, composting and setting up a recycling program in your community.

Mail the coupon today for your free copy of The Garbage Book.

All you've got to lose is your garbage!

Please send me a free copy of The Garbage Book.

Hall's Lake News

Doreen Stinson

BACK NEXT WEEK

90th Birthday

Lifelong bachelor and Stanhope Township resident Oscar Sisson celebrates his 90th birthday this Friday and many of his close friends and relatives will be on hand to make sure he has a memorable time. Born on the family farm in Stanhope to James and Emma Sisson in 1886, Mr. Sisson has farmed, logged and hunted the bush of Stanhope and Haliburton County over the years. In 1905 he helped build St. Peter's Anglican Church, then 35 years later helped with the original paving of Highway 35 from North Shore Road to Wren Lake,

working for the then princely sum of 50 cents an hour. Still active, Mr. Sisson lives with his niece, Isabelle Gibbs, and spends all his spare time knitting socks for charity and reading. In recognition of Mr. Sisson's birthday, plaques have arrived from Prime Minister Pierre Trudeau, Premier Bill Davis and Victoria-Haliburton M.P. Bill Scott, Ontario Liberal leader Stuart Smith, Progressive Conservative Leader Joe Clark and Victoria-Haliburton PC candidate Jim Webster.

THANK YOU...

DYSART ET AL

for your confidence and support at the polls last Monday.

My family join me in wishing you compliments of the season.

Sincere Thanks

RICK POOLE

Red Cross Water Safety

Minden Branch

ICE SAFETY

Frank Waters

These are some of the things to REMEMBER when venturing out on ice-covered waters.

1. Check for Danger
2. Be prepared for Danger
3. Know how to save yourself.
4. Know how to rescue others.
5. Don't go out alone.

Don't skate until you know the ice is safe. Don't skate on ponds, lakes or rivers until you know the ice surface is at least four(4) inches thick.

Red Cross reminds you for snowmobiling, a minimum of eight(8) inches to ten(10) inches is necessary, for snowmobiles are land vehicles.

For cross-country skiers the long way round is safer.

Last year, ten percent of the drowning accidents occurred when people fell through the ice on ponds, lakes and rivers. Your Red Cross warns you to be careful around ice.

Check the weather before

you go out to skate. Any change in temperature can make ice unsafe. Avoid partially submerged objects in the ice. Avoid discoloured or cloudy ice. Never skate alone.

If you should fall through the ice, don't panic. Grab the edge of the ice and kick out your feet behind you. This keeps your body float and reduces your weight on the ice. If the ice breaks off, grab again. It will get thicker and you WILL get a handhold.

If a friend falls through, tell him to hold on and kick while you run for help. Use a long stick, or tree branch or ladder and push it ahead of you as you crawl toward your friend. When he has grasped the end, pull him out and to safety. Keep crawling until the ice is safe enough to bear the weight of both of you standing. And as soon as you reach safety, take off the wet clothes and get dry and warm. This is a tip from your Red Cross Water Safety Service.

Kinsmen

Our Dec. 6th General Meeting was C.F. night under our northern Clubs representative Kin. Lewis Stevens. Guests from other northern Clubs included Kin Con Kelly-Past President of Bancroft-Cardiff, Kin. Bryan Hayden-1st vice of Bancroft-Cardiff and Kin Richard Biagi-Charter President of Haliburton. The South Algonquin Club was not represented.

Marathon Draw tickets are on sale at a reduced price for the next two weeks.

Christmas trees are available again at local businesses.

Work should be starting the Sun Dec. 12th on preparing the race track for sports car racing on ice at the Winter Carnival.

COMING EVENTS

Kinsmen's - Kids Christmas Party- Dec 19th at the Wagon Wheel.
Ladies Night-Dec. 20th at the Wagon Wheel

DOROTHY WAY

Eakins charges abuse of public funds

John Eakins, member for Victorias-Haliburton said last week he has written to the Minister of Industry & Tourism to express his concern over the apparent lack of direction in the outflow of public funds through the Ministry's various programs.

He stated "I would cite the recent charges laid against officials of Ontario Place as a prime example of the Minister being out of touch with the activities of his Ministry. How were those officials allowed to get away with all those fraudulent practices for so many years without being discovered? The Minister simply does not appear to have his hand on the pulse of the Ministry's operations. Along the same line, if he

is responsible for co-ordination of Ontario Government advertising in the ethnic press, then I feel he is not applying a proficient screening process on the final destination of those advertisements. I refer to the numerous ads placed in a newspaper entitled "Forze Nuove". Is the Minister not aware that this publication is clearly a voice of the New Democratic Party as evidenced by the fact that at least up until June this year 3 members of its editorial staff were elected N.D.P. representatives of the Ontario Legislature. And, more importantly, the address of the constituency office of the N.D.P. member for Downsview (Di Santo). Not only is the Ontario Government supporting a project in which elected representatives are involved but it is allowing public funds to be used to help to finance a publication that is simply an organ of one particular political party and that is why I must object.

We are for freedom of the press, but I call the Minister's attention to this situation because I feel it is an abuse of public funds to support a political newspaper. I feel that the Minister will undoubtedly share my concern and, therefore, I urge him in the future to keep a tighter check on the outflow of money through his Ministry's various activities."

TAKE PRIDE TAKE CARE

DROWN YOUR CAMPFIRE - CLEAN UP

JOIN THE CROWD

About the Town

with Jeanne Sears

About using Fire-logs—Canadian Consumers Magazine says not to use these if they are broken as they burn too quickly and dangerously, and could get out of hand. If this should happen put out with water sand or chemicals. Do not break up that log. Also ignite, in the usual way, your second log, using instructions on the wrapper.

There was Open House at Cox's Apparel on Saturday and winners of the draws for merchandise were \$25. Louella Yearwood, \$15. Susan Penny and \$10. Janie Northgrove.

Hint of the week—When doing your nails and wanting to make sure you have no rough spots, run your hand in an old nylon, better than snagging your new pair.

Winners at the weekly Mini Card Party at the Parish Hall last Thurs afternoon were for bridge Doris Craig, for cribbage Cora Hewitt and Harry MacMinn and for euchre lone hands Florence Robinson, and Harry Cowen and Marjorie Coneter.

A bit of fun—A lady's Quote—"My husband would never chase another woman, he is too fine, too decent, too old."

Mr and Mrs Bert Harrison are home after a holiday in Florida but report the weather was cool and some places down there had snow.

Do you think this is true? The greatest good we can do for others is not to give them of our wealth but to show them their own.

Louis Lavelle

All her friends send good wishes to Mrs. Garwood Stevenson at the local hospital.

I may be short on glamour
By Hollywood's swank code,
With hair that's far from Titian
And wardrobe not en mode;
But my morale is lifted
When I prepare my tea,
At least my bright tea kettle
Whistles at me!

Nell Griffith Wilson.

Sincere sympathy goes to the families and friends of the late Jack Ball, Bob Schroder and Rod Ward who passed away since last week.

Officers elected to A.C.W. Executive included Pres. Stella Burch, Secretary Anne Dawson, Treasurer Illa Cooper and Convenors are Dorcas, Leone Skeed and Social, Gladys Wruth.

At the L.O.B.A. Card Party at the Orange Hall Nov. 29th winners were for cribbage Evelyn Cox, and for euchre high and lone hands Shirley elcome, and Ellen Scribner, Harry Cowen and Phil Robinson. After the games all enjoyed the delicious lunch served by the ladies.

Saturday afternoon the A.C.W. had a very successful Bazaar and Bake Sale with the Parish Hall attractively decorated and a grand cup of tea and lunch served in the basement.

Item of note is that we had a record low one day last week. -30 or nearly that in most places, sure eats up the fuel.

Evelyn and Loyne Cox had a surprise visit from Ken Duke of Tanawands N.Y. one day last week.

In this early winter weather don't forget to feed the birds; we put some stale bread and pieces of suet in an onion bag and hung it up, good for all the little birds; we find the blue jays are bossy in our feeding station.

Hydro has asked everyone to conserve and turn out lights you are not using, but what about store lights or display lighting that goes all night.

Election day in our village wasn't too cold and we hope you took time to go and vote, the choice was yours.

We asked the foreman on the Bridge Repair Crew when the bridge would be back in use, and he stated that it would be into January before this will be ready. After waiting all this time, we hope the job is satisfactory and lasts for a long time. We know everyone is tired of the Bailey Bridge, bottle-neck.

Some snow on our roads, so drive carefully. Cheerio until next time.

Good News for Whitney Trail Riders

When the controversy over the closure of the Hydro line trail to Whitney reached the Hon. Leo Bernier, Minister of Natural Resources, his action was to refer the issue to the Provincial Parks Advisory Council for study. Meanwhile, the snowmobile route was to remain open, and the Haliburton County Snowmobile Association along with other interested groups such as the Chamber of Commerce were to be provided an opportunity for input to the Council's investigation.

The Parks Advisory Council acted quickly. An invitation was issued to this writer to be in attendance at a regular meeting of the Council at Queen's Park on December 4th, at which time the Whitney Trail controversy was to be introduced. Unfortunately - or perhaps fortunately as it turned out - it became necessary because of illness to decline the invitation. We were able, however, to arrange for the acceptance by the Council of a competent replacement.

Chief Government Liaison Officer and Parks Committee Chairman for the Ontario Federation of Snowmobile Clubs, Mr. Rick Start was happy to cover the meeting and to present our case. We armed him with all the pertinent information that we could reasonably squeeze through the telephone and, combined with his thorough knowledge of previous park issues, Rick was able to put together a very convincing presentation. So convincing, in fact, that a recommendation from the Algonquin Park Superintendent to close the trail was set aside and a motion to recommend to the Minister that it remain open was passed with only one dissenting vote. The recommendation will, however, provide for further study of the snowmobiling question when the Algonquin Park Master Plan comes up for review in 1979.

We believe that Mr. Bernier will act in good faith and adopt the Provincial Parks Advisory Council's report. We believe that riders of the Whitney Trail will act in good faith by respecting the fact that snowmobiles are not permitted elsewhere in Algonquin. The full co-operation of all who use the trail is essential if we are to hope for a favourable decision two years hence.

The Haliburton County Snowmobile Association extends a very sincere vote of thanks to Mr. Start and the O.F.S.C. for the splendid assistance in overcoming this serious trail problem.

Students perform Coward

Close to 150 persons were on hand last Friday and Saturday evening for the student presentation of the Noel Coward comedy "Waiting in the Wings" at Haliburton Highlands Secondary School Auditorium. The hilarious play centers about a boarding house for retired actresses located just outside London, England and features the delightful intermingling of many sub

-plots. Enthusiastic performances by the cast of 16 students of the regular Theatre Arts Class reflected their four months of diligent rehearsals under the guidance of director Steve Phillips. The students not only acted in the play but constructed all sets, applied their own make-up and even rummaged around for costumes. Most of the play's action centered about

its four main characters played by Becky Davidson, Darrel Dancy, Cathy Kinsman and Marnie Blair. Top photo, Director Steve Phillips lines the face and grays the hair of Laura Bird for her role Deirdre O'Malley in the play. Seen in the

bottom photo are three members of the cast left to right, Marnie Blair, Sandy Roberts and Lorrie Burk, as they go over their lines on the set just before curtain time.

Out Of The East!

With George Grant

On Tues. Nov. 23 the Monmouth Senior Citizens were hosts to about 25 guests from Extendacare. We hope they enjoyed the afternoon of cards, carpet bowling and dancing and will come again. In response to their invitation four of us visited them on Friday Nov. 26. This was my first visit there and I was very impressed with the general atmosphere of the place. We joined with them in a sing song and afterwards enjoyed refreshments. The nurses and attendants leave very little to be desired by way of comforts to them in their care and moral seemed to be very high in their big happy family. I congratulate them on their fine effort.

Two interesting meetings are planned for our club On Nov. 30 we hosted the Haliburton Health Unit who checked blood pressures, eyes and hearing of all members who requested the service. On Dec. 7 Mr. Gerard and Mr. Ed. Mumford and helpers will entertain the club with a 2 hour programme of songs and dancing. This will be an evening meeting starting at 7p.m. and an invitation is extended to all who wish to come and join us.

I will bring you up to date with a revised list of donors to the "Save the Arena Fund" as follows:

The recreation Committee is considering the possibilities of building a new Arena here. It seems a great many more repairs are needed now than was first anticipated and in fact repairs would be necessary on a yearly basis in future years and in the end the structure would have to be replaced Insurance runs very high on wooden Arenas—whereas a on a new steel building a \$6,000.00 saving each year could be made.

The ice surface and the plant could be saved and possibly the dressing rooms & snack bar could be replaced later if funds could not be found now. One thing is for sure—this Arena in its present state will not be permitted to remain open next year so it may be necessary to have an outdoor rink only time will tell.

All this cold weather and snow and a letter from friends in Florida has made our minds to leave on Dec. 8. So as I will be pretty busy preparing for our departure. I will probably not find time for this Column next week.

Old Bottles • WANTED •

BUT BEFORE YOU SELL
— Get the Facts!

What do you think you could get for this old whiskey bottle? \$20? \$500? \$2000? Would you believe a whopping \$8000?

The facts are: This old California Club House whiskey bottle is worth \$8,000 in green and \$2,000 in the more common bottle amber. Thousands of collectors who subscribe to Old Bottle Magazine are eager to buy your old bottles, including this one!

Subscribe to Old Bottle Magazine today and you are assured of selling every old bottle you can lay your hands on if it is fairly priced. You'll learn the going price of thousands of old bottles by following the ads in Old Bottle Magazine. That's why it's called The Stock Market For Old Bottles!

You may be sitting on a bonanza and not realize it! And if not, reading Old Bottle Magazine will give you ideas on where to find one.

Walker's Lumber Midgets, against Haliburton Huskie Bantams, Minden's O.M.H.A. representative, squares off Thursday evening in the

Yake scores 8 goals

Jadek Bantams assault Omemee 14-1

The Jadek Sport O.M.H.A. Minden Bantams put it all together this week, first shutting out arch-rival Haliburton Huskie Bantams 4-0 on Thursday evening and then, Saturday afternoon at the Centre, before a disappointing crowd, annihilated Omemee 14-1. These two victories now run the Jadek Bantams season record to 7-2-1. On Thursday evening, in a sloppily played contest, in which the Jadek bantams played at about 20% of their capabilities, Tim Davies scored twice while Ronnie Yake and Brent Moxam had one each. Both teams had four minor penalties. On Saturday afternoon, hockey fans missed one of the most talented hockey

players in Minden display an awesome assault on two Omemee goaltenders. Ronnie Yake scored 8 goals against Omemee and still found time to set up two others. Tim Davies picked up the hat trick and singles went to Scott Arbutnot and Shawn Chapman. Greg Caton had the lone Omemee goal, early in the third period to avert a shutout for Bailey Hamilton. The three stars of this game were Ronnie Yake, Dave Harrison of Omemee and Tim Davies. Minden outshot Omemee 45-22 and referees Claude Parrish and Aubrey Gostlin handed out a total of 23 minutes in penalties, 15 to Omemee, plus a game misconduct for highsticking.

Peewees shutout Little Britain

The Prentice Roads Minden Peewees came up with their first shutout of the season this past week, when they blanked their hosts 6-0. Jim Pettes and Eldon Bull led Minden to victory with two goals each, while singles went to Ivan Ingram and Bruce White. Ivan also picked up two assists, with Greg Austin and Andrew Shapira each picking up one. Returning to the Centre in Minden on Saturday afternoon, hoping to even their season's record at 6-6, they had their hopes dashed by a high-flying

Beaverton squad, that easily blasted our boys 6-1 and if not for the fine play of both Minden goalies, Terry Crowe and Paddy Brady, the score would easily gone into double figures. Jim McKelvey opened the scoring in the game at 6:18 of the first period on passes from John McKelvey and Terry Allore. However this was the last time Minden threatened Beaverton. Ken Howell and Dennis Benson each scored two for the visitors while Chris Colson and Randy Metheral scored once.

second game of a twin-bill. The Jadek Sports Bantams blanked the

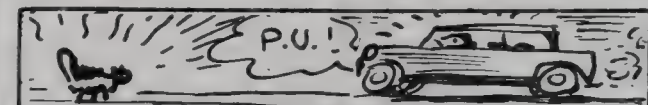

Midgets embarrass Omemee 8-3

Minden's O.M.H.A. Midgets came up with a strong performance Saturday night at the Centre disposing of the visiting Omemee team 8-3. Ron Yake drew one of his two assists on the opening goal by Dave Brown to start the Minden attack early in the first period. At the end of the second frame it was 7-1 in Minden's favour following three goals by Brian Shaw, a power-play tally by Brown and singles by Gary Harrison and a picture play tip-in goal by Tim Davies. John Farnsworth scored a short-handed, solo goal, late in the final stanza to round out the home side's scoring. Brown added 3 assists for a 5 point evening while Shaw had one assist to go with his hat trick. Omemee was hampered

throughout the game with many foolish penalties, accumulating 56 penalty minutes to Minden's 18 minutes. However Minden's persistent forechecking led to many of their chances and directly accounted for some of their goals. The Midgets also received some excellent goaltending from Kelly Young and good defensive work from the rearguard. This win lifted Minden's season record to six wins and three losses following their 6-2 defeat at the hands of a strong Haliburton team, last Thursday. In this game both Minden goals were power play efforts scored by Brown and Shaw. Bernie Nicholls scored four goals for the visitors while Rod Consack potted a pair. Minden's next game is this Saturday night at the local arena when they host Fenelon Falls at 6 P.M.

Tri County hockey Minden T.C. teams split

The Minden Tri County teams played 500 hockey over the weekend, with 2 wins, 2 losses and 2 ties. The Midgets travelled to Beaverton on Thursday and kept their undefeated record intact with a convincing 4-1 win. The Midgets now are 5 wins and three ties. The first period ended in a scoreless tie, but the second found our lads fire two goals and then added two more in the third. Kim Hamilton led the midget attack with the hat trick with Kirk Bull getting the fourth. Unfortunately Minden lost the services of Stuart Russell for at least two weeks with torn ligaments in the back of his leg. Steve Crow and Kirk Bull each scored once in Midgets 2-2 sawoff with Haliburton at the Centre on Sunday. In Wrightman Real Estate Peewee action over the weekend the boys lost 2-1 to Sunderland and then came back with a great 4-3 victory over rival Haliburton on Monday evening. In the Sunderland contest Paul Silvers scored Mindens lone goal. In Haliburton on Monday evening, Craig Coneybeare led Minden to victory with two goals while singles went to Paul Silvers and Ricky McGee. The Dollo I.G.A. Bantams kept their 550 season record in tact when they held rival Haliburton to a 2-2 tie on the weekend. Joe Graham and Blair Marks had the two goals for Minden.

The chemical that gives the skunk its odor is called ethanethiol, so pungent that less than one ten-trillionth of an ounce can be detected by the human nose.

Lynn Wynans wins 'Arm Wrestling Championship'

Centre, Bill O'Brien, owner, operator of the Rockcliffe Hotel in Minden, congratulates Champion Lynn Wynans, right, on her victory in the 1st annual Ladies Arm Wrestling Championship of Minden. On the left is Sandy Willis who lost to Lynn in the Championship match. Bill was the M/C and Judge of the tournament.

SANDY WILLIS smiles happily when Judge Bill O'Brien called a tie in her match with Judy Martin, advancing both girls to the finals.

A jam-packed Rockcliffe Hotel last Wednesday evening was the scene of the 1st Annual Ladies Arm Wrestling Championship. Five teams were on hand to vie for the title and some great action was witnessed by the audience. Lynn Wynans was the eventual winner, defeating Judy Martin and Sandy Willis in a bizarre Championship.

Lynn opened her Championship by defeating Sandy Willis in the first round, then easily put down Cathy Irwin in the quarter-finals. Lynn then met Nancy Nye and defeated her in the semi-finals to advance to the Championship final.

The bizarre final came about when Laurie Mackay defeated Judy Martin, then Judy and Sandy both won their quarter-final matches. Judy putting down Debbie Gimble and Sandy defeating Judy Stevenson. This brought Judy and Sandy together in the semi-finals to see who would take on Lynn for the Championship.

Well folks, this was easier

said, then done. After fifteen or twenty-minutes and still no winner between the two, Judge Bill O'Brien met with a panel of outside judges and they decided that a coin would be tossed. The one who won would have a bye into the finals taking on the loser of the coin toss and Lynn. Judy lost the coin toss and then was easily put down by Lynn. This brought Sandy to the table to face a tired Lynn Wynans. However, Lynn had an easy time of it, putting Sandy down in a short time, and becoming the first Ladies Arm Wrestling Champion of Minden.

It now appears the Sir Sanford Fleming College of Peterborough got wind of this Championship and are now in the process of declaring a Champion of their own. When this is done, their Champion will be taking on our newly crowned Champion, later in the New Year.

Here is a breakdown of how the Arm Wrestling went on Wednesday evening;

FIRST ROUND-

Lynn Wynans def. Sandy Willis
Cathy Irwin def. Judy Stevenson
Marnie Robinson def. Marg Cooper
Nancy Nye def. Debbie Gimble
Laurie MacKay def. Judy Martin

Don Hicks rolls new high single

The Minden Progress and the Rockcliffe Hotel Beer Nuts are deadlocked for the lead in the second series of the Men's Commercial bowling league after last weeks action. Both teams have 36 points, six up on third place Ingoldsby and 9 up on fourth place Cox's Colts. Trailing the field at present are Minden Billiards with 20 points and Modern Electric with 19.

The Men's league finally came up with their sixth team last week, and it appears to be a real contender with Ronnie Robinson Jr. heading the team. The remainder of the Modern Electric six are Herm Bosley, Graham Brown, Doug Leonard and Ian Boyes of Bracebridge and Eric Burk of Ingoldsby.

After a terrible start three weeks ago when he was sparing in the league, Ronnie has now taken over

the league high average of 228, now that he has a steady team to bowl with. Wes Stata also has 228, while Gord Overall and Ian Colman each have 227 averages. Don Hicks came up with his highest single ever on Wednesday evening, a great 374, which is the highest of the season in the league. Ian Colman owns the top triple of 864. Some of the high games bowled this week; Don Hicks 374-276-173 for 823, Walt Ackersblade 301, Ron Robinson Sr. 262-282-195-739, and Ed Cox 275-276-223 for 774.

Robinson, Stata, tied for lead

This past week in the Maple Lake league, Wes Stata and Ron Robinson Sr. moved into a first place tie after two weeks of the second series, with 12 points. Gord Overall is third with 9, Harry Henderson fourth at 4, Danny Harding fifth with 3 and Audrey Fountain sixth with 2 points.

Some great games were bowled this week, led by Danny Harding with 364-187-239 for 790, Ed Cox 352-286-195 for 833 and Ron Robinson Jr. 344-217-185 for 746.

Ron Robinson Jr. holds the top average of 253, with Ev Stata leading the women with 225. The top singles are Rick Harding with 371 and Martha Harding with 335. Top triples are Ron Robinson Jr. 892 and Ev Stata with 819.

4 winners declared

With just three weeks gone in the Sunbeam Shoes, High-Low Doubles bowling tournament at Carnarvon Lanes, there are now four winners declared.

The first winners were Audrey Fountain and Grace Downey in the Thursday Afternoon Ladies league. Three more winners were declared this past week. The Tuesday Combines representatives will be Lil Goveatt and Deb Harding, the United Church League Reps. will be Marie Reynolds and Eleanor Yong and from Ingoldsby are Lorna Hicks and Muriel Morrison.

These four teams now advance to the Zone Finals which are slated for Carnarvon Lanes on Sunday, March 27th.

The following teams are still fighting it out in these leagues.

MEN'S COMMERCIAL:
Ian Colman and Reg Burk
Wes Stata and Steve Leliever
TUESDAY COMMERCIAL MIXED NO. 2
Rick Harding and Wendy Kirkpatrick
Deb Harding and Bob Nangle
Ida MacLachlan and Fred Cox
MAPLE LAKE LEAGUE:
Ev Stata and Marlene Cook
Rick Harding and Marlon Johnston
WEDNESDAY COUPLES LEAGUE:
Doug Leonard and Dan Bell
Mark Conway and Betty Patchett
Neil Foster and Helen Thompson
Gloria Bell and Andy Terry
DORSET MIXED:
Betty Whiteway and Art Recalla
Cheryl Cross and Fran Speers
Reg Brooks and Priscella Lewis
Bob Webb and Cathy Boake
Lew Gair and Mary McKay
Ron Richardson and Allan Graham
Boyd Griffin and Ida MacLachlan

The yo-yo is a no-no!

Widow-makers and barber chairs were discussed, along with dutch cuts, chicots(pronounced as in "Chico and the Man" on TV) and kerfs (pronounced carfs).

No- it wasn't a combination embalmers' and barbers' convention; it was a chain saw safety seminar jointly sponsored near Dorset, Ontario recently by government and industry.

The seminar was held November 16th at the L. M. Frost Natural Resources Centre near Dorset, Ontario under the auspices of the Forest Products Accident Prevention Association (F.P.A.P.A.), an arm of the Workmens' Compensation Board, and the Ontario Lumbermen's Association.

The seminar was designed to teach safe operation of chain saws to a wide range of woods related personnel from Ministry of Natural Resources, Ontario Hydro, the woods industry, and local chain saw dealers.

An estimated one million chain saws are presently in use today in Ontario. In the woods industry sector, F.P.A.P.A. is doing a commendable job in promoting chain saw safety.

Of more concern, however, are the thousands of chain saws owned by members of the general public. Cottagers, hobby farmers, and rural residents, who receive little or no instruction in the safe use of this potentially destructive equipment, are avid buyers and users of chain saws. Unless their equipment is purchased from a knowledgeable dealer, their instruction in the safe operation of chain saws could be seriously lacking.

Industry has made significant design improvements in recent years to promote quieter running and greater safety in chain saw operation. Some of the more significant changes include better mufflers, chains and cutter bars.

The greatest safety advance, however, has been the introduction of the chain brake, a light-weight tubular device mounted on some makes above the operator's left hand. The device is so constructed that if the saw kicks back violently, the chain brake hits the operator's left wrist instantly stopping chain rotation and preventing serious injury.

Prospective chain saw purchasers would be well advised to seek out a dealer who not only is able to demonstrate safe operation of a chain saw, but has a woodlot to do it in. One certain way to determine his proficiency is to ask him to show you how to start a chain saw.

If he uses the yo-yo method, look for another dealer! After purchasing your chain saw from a knowledgeable dealer you can further impress him by tossing around these terms and asking him how to explain them:

Barber Chair A tree stump having an unusually high brackrest resembling a barber's chair as a result of improper felling

Widow-Maker A dangerous piece of deadwood, usually felled.

Kerf(say Carf) The ragged, splintered edge on the butt end of a felled log.

Chicot(say Chico) An unusually high stump or stub of a tree killed by lightning, fire, or disease.

Dutch Cut An improper notch in a tree to be felled made more hazardous by the positioning of the back or final cut.

Humbolt Notch The opposite of the conventional felling notch in a tree where the upper cut of the notch is horizontal and the lower half of the notch is at about a 45o angle.

Choker Cable Braided steel cables on a log skidder used to winch and skid felled logs to a roadside landing for trucking away to sawmills.

Yo-Yo Start

Proper Start

A frowned-upon method of starting a chain saw favoured by widows' husbands and invalids. The chain saw is held in the right hand and the starter cord in the left. The up and down motion of the chain saw, like a yo-yo, automatically pulls the starter cord in the operator's left hand.

Place chain saw on cleared ground placing right foot through throttle guard, left hand on hand grip, and right hand on starter cord. (Reverse for left-handed persons).

While most readers will grasp a high percentage of fact from this article, the editor will rate his efforts exceedingly worthwhile even if the reader merely remembers that the "YO-YO" is a "NO-NO"!

A Chicot (pronounced Chico) shown above centre is an unusually high stump of a tree killed by lightning fire, or disease. Note "Widow-Maker", a dangerous dead stub hanging in topmost branches above Chicot. Recent chain saw safety seminar near Dorset recently dealt with these woods hazards.

TO PROPERTY OWNERS AND TENANTS

Notices of Assessment for the year 1976 for purposes of Taxation during the year 1977 were mailed on December 6th, to all property owners and tenants pursuant to the requirements of section 40 (1) of the Assessment Act.

Please bring to the attention of the Assessment Commissioner, prior to December 21st, 1976, any error in Assessment, particularly spelling mistakes, errors in address, and inaccurate description of property, in order that corrections may be made without the necessity of an appeal.

The Assessment Roll will be delivered to the Clerk of your Municipality on December 21, 1976 after which date it may be examined at the Municipal Office during regular office hours.

The last day for appeal to the Assessment Review Court, as set forth on the Notice of Assessment, is January 11, 1977.

THE EXPROPRIATIONS ACT

NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate lands being

In the Township of Anson, Hindon and Minden, in the Provisional County of Haliburton, in the Province of Ontario for the purpose of re-aligning King's Highway 121.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS the Minister of Transportation and Communications, Parliament Buildings, Toronto, Ontario, M7A 1Z8

Minister of Transportation and Communications
B.D. Riddell, Director, Property Branch.

NOTES

1 The Expropriations Act provides that:

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General.

(b) the inquiry officer:

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2 "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested.

registered owner means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper Land Registry or Sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll.

3 The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the lands described as follows:

In the Municipality of the Township of Anson, Hindon and Minden, in the Provisional County of Haliburton, in the Province of Ontario, being:

(a) Part of Lot 3, Concession 2, of the geographic Township of Minden, designated as PART 1

(b) Parts of Lot 3, Concession 3, of the geographic Township of Minden, designated as PARTS 2, 3 and 4

(c) Part of Lot 2, Concession 3, of the geographic Township of Minden, designated as PART 6, subject to the rights of the Municipal Corporation of the Town of Orillia as described in registered Instrument Number 3315

on Ministry of Transportation and Communications' Plan P-2742-27 deposited in the Land Registry Office for the Registry Division of Haliburton as Plan 19R-1091.

NATURAL RESOURCES

Size limits won't protect fish

Northern pike

A petition currently circulating throughout Ontario demanding the reimposition of size limits for all Ontario game fish should not be supported, according to experts from the Ministry of Natural Resources. Couched in flowery, persuasive language the petition makes the unsupported claim that 95 percent of all game fish can be returned to the water unharmed after being hooked and that the reimposition of size limits would 'nearly double fish population in a lake in less than a year'.

Currently in Ontario, the Muskies is the only game fish with a size limit, other than the pickerel of southern Ontario waters. According to Ministry of Natural Resources Minden District Manager Don White size limits for fish don't really make sense. Examples given include the smallmouth and largemouth bass, really warm-water fishes whose growth tends to be stunted in colder waters, hence bass caught in our Haliburton waters seldom exceed 12 inches in length, runts compared to their warm-water Florida

cousins. Will a hooked fish live when returned to the water? Tests now under way indicate it will not. Currently Dr. A. Crossman is conducting a survey at Nogies Creek to determine

if the size limit on Muskies should be totally abandoned. So far he has found a considerable lactic acid buildup in Muskies that have tried to fight free of a hook and believes this stress will kill

the fish. Still another fish killer is thermal shock, particularly applicable to lake trout hauled up from deep water and which face certain death due to the sudden change in water temper-

ature. Manipulation of the fishing season or increasing fish reproduction would be much more effective than imposing size limits on fish, say the experts from Natural Resources.

SPORTS

Cliff Burke

Dave Everall rolls 777

Dave Everall returned to the Y.B.C. Seniors at Carnarvon Lanes three weeks ago and on Saturday regained his form of last season with a great morning of bowling. Dave put together a 777 triple on singles of 279-279-219. With this fine performance he upped his average to 216, tops in the league and tossed his hat in the ring as one of the strong senior boys candidates for the 4 Steps to Stardom Singles Championship of Carnarvon.

Mike Hatkoski keeps improving each week in the Junior boys division and this Saturday finally took over a 176 average, 2 points up on previous leader Ronnie Yake, who has been in somewhat of a slump the past two or three weeks. A new bowler this year in the Carnarvon Lanes Y.B.C. Senior Division is Tim Davies. Tim started on the 20th of November and sports a 188 average after a fine 609 triple on Saturday.

The November 'Bowlers of the Month' were Juniors Mike Hatkoski and Anita McKinley.

Y.B.C. Bowlers having bowled '100 Pins over Average' to date are Bantam-Dale Allison; Junior-Mike Hatkoski; and Seniors - Les Booth and Dave Everall.

The next tournament on the Y.B.C. calendar is the 'Family Twosome'. This

tournament will be rolled at Carnarvon Lanes on Saturday, December 18th, in 2 shifts. This is one of the most popular Y.B.C. tournaments each year, where the parents, grandparents or other relative can team up with a Y.B.C. son, daughter, brother or sister, and help them win a beautiful Crest. The following are the shift times for the bowlers. 11a.m.

Korz, Osler, pulling away
Carnarvon holds
8 of 19 spots

Bowlers from Carnarvon Lanes are doing extremely well in this years Carling O'Keefe Open roll-offs. With ten men's and nine ladies positions to be filled, Carnarvon holds three men's places and five women's.

The Carnarvon Ladies are led by Audrey Fountain who is in second place after twenty games, with a total of 4135, 306 pins behind leader Kay Osler of Fenelon Lanes. Ev Stata is fourth with 4109, Pearl Foster seventh with 3985 and Virna Wagg ninth with 3946.

Bill Korz has upped his lead after twenty games to 200 pins over Carnarvon's Fred Cox, with 5114. Fred is second at 4914, Ronnie Robinson Jr is fifth with 4677 and Wes Stata is seventh with 4490.

The bowlers doubled their output of 300-plus games this week over last with eleven. Mark Barton of Fenelon Falls came up with three, 338, 311 and 308. Ron Robinson Sr. of Carnarvon rolled 2 back-to-back 300 games, 312 and 340. Others were Hank Searle of Bancroft, 307; Ken Mills of Fenelon, 338; Cecil Burke of Bancroft 348 and Fred Cox of Carnarvon, 306. Following are the standings with ten games left to roll at Carnarvon Lanes next Sunday commencing at 10 a.m.

Kevin Warburton fires 5

The Yake Electric/Red & White Minden Atoms ran their undefeated record to a 9 games over the weekend with shutout wins over Oakwood on Saturday 8-0 and then in Beaverton on Sunday afternoon, 5-0.

Kevin Warburton, Scott Hamilton and Doug Schell each scored twice in the Oakwood victory, while singles went to Scott Yake and Greg Newell.

In Beaverton on Sunday afternoon, Minden was led by Kevin Warburton who fired three big goals. Scott Yake and Doug Schell each scored once.

Curling Corner
with Dwight Thomas

Mens Seniors

Undefeated after four weeks play is the Tom Hurtt rink, showing 40 points on four wins. Bruce Scribner and Sandy Stewart are in second place with 30 points on 3-1 record. Hal Burton and Lorne Coburn have 2-2 records following Burton's 6-4 win over Stewart and Coburn's 9-4 drubbing at the hands of Hurtt. Scribner beat Don Sinclair 5-4 to drop Sinclair into a sixth place tie with Ed Pettinger's foursome at 10 points each. Pettinger defeated winless Ern Hewitt 7-5 last week.

Ladies

Gwen Cox knocked off Phyllis Campbell 11-6 last week while Peg Pettinger edged Ethyl Sinclair 10-9 to keep up the torrid race for first place. Cox is on top with 40 points on a 4-1 record while Pettinger is just 5 points back with three wins and a tie in the last five games. Campbell is 1-3-1 for 15 points and Sinclair has a 1-4 showing for 10 points.

Mens

Percy Brintnell tops the list in this league with a perfect 5-0 record and 50 points. Brintnell defeated Alex Millar, last week, 7-3 to leave Millar in the cellar with 10 points, tied with Don Blakey, 7-6 losers to the Cec Yearwood quartet. Yearwood now has a 2-3 record for 20 points, tied with J.O. Jackson, 2-3, and Don Sinclair, 2-2. Jackson lost 11-5 to Tom Hurtt while Sinclair was edged 10-9 by the Ron Dyer foursome. Hurtt and Dyer both have 30 points and a tie for second spot.

Wednesday Mixed

Only five points separate first place from third place in this league while the fourth and last place team

has no points in five games. With 3-1-1 records and 35 points are the J. O. Jackson and Bob Austin rinks while just five points back at 30 is the Roy Colliss team. Garth Kellett's foursome has yet to score a victory. Jackson beat Colliss 9-4 last week.

Thursday Mixed

This is an evenly balanced league with six teams within 10 points of each other. On the top with 40 points is Tom Hurtt's rink. They have four wins in five tries. Next at 30 points is Bill Obee (3-1), Phil Graham (3-1), Stan Farrell, Don Hall and Alex Millar, all with 3-2 records. Alone with 20 points is the Don Sinclair rink followed by Art Hodgkinson and Bruce Scribner with 10 points on 1-3 records. Winless in five starts is the Cec Yearwood team. Action last week saw Obee crush Yearwood 10-3, Farrell squeak by Sinclair 6-5, Hurtt edge Graham 8-7 and Hall outlast Millar 6-4.

Friday Mixed

Joe Rivers sewed up at least a tie for first place with a come from behind 9-8 win over Dwight Thomas last week. This left Rivers with 40 points while Thomas has 25 points. In second place is the Percy Brintnell rink with 30 points following their runaway over Bill Roodenburg, 13-4. Roodenburg has one tie in five games. Thomas and Brintnell will battle for second place in the last game of this schedule being played Friday night.

Some people believe that a green ivy leaf placed in water in a covered dish after dark on New Year's Eve and left until Twelfth Night will tell the future.

FOR OUT OF THIS WORLD RESULTS

Comments from Kinmount

By Fran Crawford

Sorry Folks I got my days mixed up last week so I'll try and get all caught up this time.
The week-end of Nov.20

Mr. & Mrs. Harry Tremblay and Mr. & Mrs David Riel visited with Mrs. Betty Bacon and Family of Furnace Falls.

Mrs John Bacon (Gramma) was away on a trip to maple and Stratford visiting her sisters. Shortly after she had returned home she learned two of her sisters had been in Hospital one in Stratford and one in Barrie. Both are out now and feeling much better.

BINGO PLAYERS! Don't forget next Tuesday night Dec. 14 is the Turkey Bingo put on by the C.W.L. at The Legion Hall. Come one and all and maybe get your Christmas turkey.

With all this pile of snow please drive carefully and keep your eye on the other guy too.

LEGION 441

Saturday Nov. 27 there were three teams went to Cannington for a Dart Tournament. We all had a good time but we did not bring any trophy's home. In the evening we had Dis Jockey Tommy Williamson playing to a fairly small crowd but everyone seemed to enjoy themselves.

The 50-50 Draw of \$32.50 went to Dan Byrne of Burnt River. A nice win with Christmas close.

Last Week-end the ladies Auxiliary catered for the Canadian Imperial Bank of Commerce Minden Branch Christmas Party. They had Turkey Dinner followed by a social evening and danced to their own records.

Saturday afternoon a gang practiced darts for the Tournament at Cobocok

this Saturday.

The 50-50 Draw was won by Phillip Taylor of Burnt River. He won \$22.50. That is two weeks in a row it has went there.

There will be a limited amount of tickets for the New Years Dance on sale starting this week-end.

We hear Margaurite Curtain is not feeling so well again. We all send her best wishes for a speedy recovery. Come on Margaurite you have to be out and about for the Holiday Season coming up.

THANK YOU... Anson, Hindon and Minden Voters

for your confidence and support at the
polls last Monday.

My family join me in wishing you
compliments of the season.

Sincere Thanks

LYLE McKNIGHT

THANK YOU... MONMOUTH TWP. VOTERS
